- Exams on your own computer that meets minimum technical requirements and has a microphone and webcam.
- Flexible rescheduling – You may reschedule up to 30 minutes prior to your exam
- **No additional fees – no “sitting fee” or other hidden charges**

TEST CENTER TESTING (TCT)

TCT offers candidates the opportunity to take their exams in a professional, off-site computer lab, specifically designed for secure test administration. Appointments are required, ensuring a dedicated slot for each candidate. Key advantages of TCT include:

- In-person Proctor – Professional, experienced TCT staff on-site to get your exam started
- **No additional fees – No “sitting fee” or other hidden charges**
