Three Ways to take CCO Written Exams:

CCO now has three options for taking written exams: Online Proctored Testing (OPT), Test Center Testing (TCT), and Event Online Testing (EOT).

NCCCO Exam fees are the same no matter which option works best for you.

ONLINE PROCTORED TESTING (OPT)

OPT allows individual candidates to take exams anytime, anywhere via computer while being monitored by a proctor virtually. *Must meet computer requirements and internet speed. Benefits specific to OPT include:

- Available 24/7 – Test without missing work
- Test from anywhere – Home, office, hotel, anywhere with sufficient internet
- Candidates may be able to schedule testing appointments in as little as 15 minutes (pending availability)
- Exams on your own computer that meets minimum technical requirements and has a microphone and webcam.
- Flexible rescheduling – You may reschedule up to 30 minutes prior to your exam
- **No additional fees – no “sitting fee” or other hidden charges**

TEST CENTER TESTING (TCT)

TCT offers candidates the opportunity to take their exams in a professional, off-site computer lab, specifically designed for secure test administration. Appointments are required, ensuring a dedicated slot for each candidate. Key advantages of TCT include:

- Testing near you – Nearly 600 testing centers available nationwide
- Candidates will schedule (or reschedule) exam appointments at least 2 days before testing
- Show up and test – No need to ensure your space, computer, or internet meet specifications
- Whiteboards provided – The test center will provide an 8.5 in. x 11 in. whiteboard
- In-person Proctor – Professional, experienced TCT staff on-site to get your exam started
- **No additional fees – No “sitting fee” or other hidden charges**

EVENT ONLINE TESTING (EOT)

EOT facilitates group testing, typically at an employer's or training provider's location, whether on-site or off-site. This testing format offers total flexibility in scheduling exams to accommodate the specific requirements of the hosting site and organization. Key benefits of EOT encompass:

- Testing is typically done at your employer or training provider's facility
- Proctors Inc will provide the proctor thru scheduling
- Work with training provider to schedule and reschedule, even if you miss your exam time
- You will need to ensure your space, computer, and internet connection meet specifications
- Laptops can be rented thru Proctors Inc
